

**BOOKS BY JACK O'CONNOR**  
**as of November 18, 2015**

The best known of America's 20<sup>th</sup> century gun writers, O'Connor was a prolific scribe whose life's work included an impressive number of books. Here are the duplicates I have in stock, and note that some new items appear at the bottom as well.

Prices are net. S.C. residents will be charged 7 percent tax. In the U.S., shipping is \$5 for first book and \$2.50 for each subsequent book up to \$12.50. Postage and handling charges are appreciably higher for foreign/international buyers because such shipments can only go by priority mail rate – please contact me for a postage quotation.

Insurance is extra and **STRONGLY RECOMMENDED** (\$2.50 for first \$100 and an additional \$1.25 for each subsequent \$100 in value). I have had enough problems with the U. S. Postal Service (USPS) to come to the reluctant conclusion that insurance is very important. If a shipment which is uninsured doesn't make it, I will provide proof of shipment. My only alternative is to begin requiring insurance, charge much higher shipping, or to use UPS or FedEx. For now, I'd welcome input from you, my customers. One thing I know for sure—I can't "eat" shipments which don't get to the destination, something I've done too many times over the last couple of years.

Unless you wish to pay for a faster rate, books are shipped via book rate through the USPS, and delivery generally takes seven to ten days from the date you submit your order. I try to mail orders out the day they are received. However, if I do not respond immediately, you may want to check my Schedule page. If I am out of town, please be assured that I will contact you as soon as I return.

Payment by personal check, cashier's check, money order, or through PayPal is accepted. I do not handle credit cards directly, although you can use them with a PayPal account. If you need help using PayPal, please contact PayPal Customer Service at 1-888-221-1161.
